ABOUT US

Founded in 2007, Thuba Construction cc is a dynamic, 80% black woman-owned enterprise that emerged alongside South Africa's Broad-Based Black Economic Empowerment (BEE) policies. Our journey is built on seizing opportunity, gaining invaluable experience, and delivering excellence from our strategic base in Northern KwaZulu-Natal.

With offices in Mandeni and Ballito, our operational reach extends across the greater KZN region. We are specialists in repair, maintenance, and installation services, equipped to handle projects from urban centres to remote sites with versatility and skill.

What defines us is an unwavering commitment to quality and service delivery that sets industry standards. We strive not only to meet but to exceed client expectations, building a reputation as a reliable and trusted construction partner.

More than a company, we are a community-focused organisation. Our ethos is rooted in creating sustainable growth—for our business and for the communities we serve. Through job creation and local engagement, we aim to uplift and empower, contributing meaningfully to socio-economic development.

Looking ahead, Thuba Construction remains dedicated to innovation, integrity, and positive impact. We invite you to join us in building a legacy where vision meets construction.

MISSION & VISION

Building the future with
excellence and
empowerment

Mission Statement

At Thuba Construction, our mission is to deliver excellence in construction and maintenance services. We strive to be a trusted partner, providing quality solutions that contribute to client success and community development.

Vision Statement

Our vision is to be a leading force in the construction industry, known for innovation, sustainability, and social responsibility. We aim to build a legacy of excellence that inspires progress and positively impacts the communities we serve

Our Commitment

Your vision, realized with trust and excellence. We combine technical expertise with a deep sense of responsibility, ensuring every project not only meets specifications but also contributes positively to KwaZulu-Natal's landscape and its people.

OUR SERVICES

Welcome to Thuba Construction cc – Your Trusted Partner in Construction and Maintenance Services!

At Thuba Construction, we take pride in offering a comprehensive suite of services tailored to meet the diverse needs of our clients. Our commitment to excellence, combined with a wealth of experience, makes us a reliable choice for a wide range of construction and maintenance projects. Here are the key services we provide:

General Building Maintenance: Our skilled team ensures that your buildings, both commercial and residential, are well-maintained and in optimal condition. From routine inspections to proactive maintenance, we've got you covered.

Commercial and Residential Building: Thuba Construction specializes in the construction of both commercial and residential buildings. Whether you're planning a new structure or renovating an existing one, we bring expertise and dedication to every project.

Civil Works: From infrastructure development to site preparation, our civil works services encompass a wide range of projects. We have the knowledge and resources to execute projects efficiently and to the highest standards.

Plumbing: Thuba Construction offers professional plumbing services, ensuring that your plumbing systems are installed, maintained, and repaired with precision. We address both residential and commercial plumbing needs.

Fencing: Our fencing services provide security and aesthetic appeal to your properties. Whether it's perimeter fencing, security fencing, or decorative fencing, we deliver solutions that meet your specific requirements.

Concrete Works:

Concrete Works: Thuba Construction excels in concrete works, covering everything from foundations to structures. Our skilled craftsmen ensure the durability and quality of all concrete-related projects.

Roof Work: Roofing is a critical aspect of any building, and our expertise in roof work ensures that your roofs are installed and maintained with the highest standards of craftsmanship, providing protection and longevity.

Grass Cutting: As part of our commitment to comprehensive property maintenance, we offer professional grass cutting services. From lawns to landscapes, we keep your outdoor spaces well-manicured and aesthetically pleasing.

Plant Hire: In addition to our core construction and maintenance services, Thuba Construction extends its offerings to include professional Plant Hire services. We understand the importance of having the right equipment for various projects, and our diverse fleet of well-maintained machinery is available for hire. Whether you're undertaking a construction project, infrastructure development, or landscaping, our Plant Hire services provide the equipment you need to get the job done efficiently. Our offerings include, but are not limited to: **Excavators, Bulldozers, Loaders, Rollers, Graders & etc.**

PROJECT MANAGEMENT

We are Alined, Not Certified

ISO 9001:2015
Quality Management System

Integrated throughout our lifecycle for consistent quality delivery and continuous improvement.

ISO 45001:2018
Occupational Health & Safety

Embedded in all operational phases to ensure zero harm to people and the environment.

CIDB Standards
Construction Industry

Compliance
Full compliance with South African construction regulations and best practice guidelines.

The Sisonke Project Journey: 8 Phases of Precision & Partnership

Our disciplined project lifecycle ensures every build meets our high standards for quality, safety, and reliability.

- 1. Tender & Planning**
Identifying opportunities and preparing comprehensive, compliant bids with thorough risk planning.
- 2. Project Initiation**
Defining scope, stakeholders, and detailed plans for resources, timeline, and quality.
- 3. Design Review**
Collaborative engineering and design validation to ensure buildability and compliance.
- 4. Procurement**
Systematic sourcing and management of quality materials from vetted suppliers.
- 5. Construction Execution**
Supervised on-site execution with daily quality control and safety monitoring.
- 6. Quality Assurance**
Continuous inspections, testing, and corrective actions to uphold standards.
- 7. Commissioning**
Rigorous system testing, snag resolution, and final performance verification.
- 8. Handover & Closeout**
Structured client handover, documentation delivery, and project review.

OUR PROJECTS

Thuba Construction boasts a strong portfolio of diverse and successful projects, spanning road construction, general building, water and sanitation initiatives, and plant hire services. Our solid financial references underscore our financial stability and reliability, ensuring we meet project demands efficiently and effectively. Our commitment to quality and innovation drives every project, making us a trusted choice for construction needs in South Africa.

STRATEGIC PARTNERS & ASSOCIATES

Trusted Collaborations: Our Key Partners and Association

Our growth is built on strong relationships. Over the years, we have partnered with municipalities, private sector role-players, and community-based institutions to deliver services that impact lives, strengthen local economies, and support sustainable development.

PORTFOLIO

COMPANY HIGHLIGHT

Empowering Diversity: As a 100% black woman-owned enterprise, Thuba Construction stands as a beacon of diversity, breaking barriers in the construction industry and contributing to the empowerment of underrepresented groups.

Sustainable Growth: Since its establishment in 2007, Thuba Construction has strategically utilized BEE policies to achieve sustainable growth, evolving into a self-sustaining force in the construction and maintenance sector.

Geographic Reach: With headquarters in the Northern Part of Kwa-Zulu Natal and offices in Mandeni and Ballito, Thuba Construction's operations span far into the greater regions of Kwa-Zulu Natal, showcasing a wide and impactful geographic presence.

Versatile Service Portfolio: Thuba Construction offers a comprehensive suite of services, including General Building Maintenance, Commercial and Residential Building, Civil Works, Plumbing, Fencing, Concrete Works, Roof Work, and Grass Cutting, providing versatile solutions to diverse client needs.

Unparalleled Quality Standard: Thuba Construction is synonymous with unparalleled quality and service delivery. The company upholds a standard of excellence in every project, ensuring client satisfaction and establishing a reputation for top-tier construction and maintenance services.

Community-Centric Engagement: Thuba Construction goes beyond business by actively contributing to community development and job creation. The company plays a vital role in the economic empowerment of local communities, reflecting a commitment to social responsibility and positive impact beyond the construction site.

THUBA COMMUNITY SUPPORT & PROJECTS

At Thuba Construction cc, our dedication goes beyond just constructing buildings.

Beyond our core construction services, Thuba Construction is deeply invested in the prosperity of the communities we operate within. We actively promote giving back through targeted initiatives that support local schools and community institutions. This includes direct contributions, infrastructure upgrades, and skills-sharing programs designed to create lasting, positive impact where it is needed most.

Our community-focused ethos is integral to our identity. We believe that sustainable growth is achieved by uplifting our neighbours, which is why we prioritize local engagement and empowerment. Through these dedicated efforts, we aim to build more than just structures—we are committed to building a legacy of opportunity, resilience, and shared success for future generations.

Building Futures, Empowering Communities.

THANK YOU

For your time and interest in Thuba Construction. We are grateful for the opportunity to connect and look forward to the possibility of building a stronger future together.
